DATATRAVELER® MAX

Unparalleled Performance

Kingston's DataTraveler® Max is a high performance Type-C®[1] USB flash drive leveraging the latest USB 3.2 Gen 2 standard to deliver record-breaking read/write speeds up to 1,000/900MB/s[2]. Designed with portability and convenience in mind, the unique ridged casing protects the connector when not in use and is easily moved with a single motion. DT Max delivers premium performance and expanded capacities up to 1TB[3] making it the ideal solution for transferring and storing large digital files such as HD photos, 4K/8K videos, music and more.

DT Max is backed by a limited five-year warranty, free technical support and legendary Kingston reliability.

› Advanced USB 3.2 Gen 2 Type-C®[1] USB

› Unique ridged casing with keyring loop

› Up to 1,000MB/s[2] read speeds

› Capacities up to 1TB[3]
