MOBILE DRIVE

EXTERNAL PORTABLE HARD DRIVE
Data Sheet

Sleek Design. Lavish Space.

Like an airy loft or vast landscape, LaCie® Mobile Drive articulates the beauty and importance of premium space.
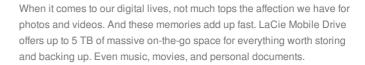

With up to 5 TB of capacity, there's room for photos, playlists, docs and more. And with Mac, Windows, USB-C, and USB 3.0 compatibility, access is easy. One-click or automatic backup makes file storage smooth, and our 30th anniversary diamond cut design has an edge like no other.

More Wonder. Less Wondering.

Wherever life takes you, whichever laptops and devices you opt for, LaCie Mobile Drive is compatible enough to keep up.

- Works with Mac® and Windows®.
- Connect to modern and future laptops via reversible USB-C.[1]
- Connect to legacy laptops via USB 3.0 to USB-C.

More Capacity for More Memories

When it comes to our digital lives, not much tops the affection we have for photos and videos. And these memories add up fast. LaCie Mobile Drive offers up to 5 TB of massive on-the-go space for everything worth storing and backing up. Even music, movies, and personal documents.

There to help you is LaCie Toolkit — easy-to-use software for one-click backups, scheduled automatic backups, and even folder mirroring across multiple devices.

- Keep up to 500K high-resolution photos.[2]
- Store up to 165 hours of videos.[3]

Fit In. Stand Out.

- Sandblast finish in space grey or moon silver to complement Macbooks.
- All-aluminium build feels light yet solid.
- Diamond-cut edges reveal tone and texture.
- Compact, it slips easily into your bag.

1 To achieve full interface bandwidth, connect the product to a USB-C port on a computer or device.
2 Based on the average image size of digital cameras (10 MB)
3 On average, 1 hour of 4K 30fps compressed footage creates 30 GB of data.
