EN Please read these instructions carefully before using the appliance.

Safety
CAUTION: This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.

• Keep the appliance in a dry place.

• Do not immerse or put under running water the appliance, even for cleaning purposes.

• Do not immerse or put under running water the appliance, even for cleaning purposes.

• Unplug the appliance when you have finished using it, before cleaning and in the event of malfunction.

• To unplug the appliance grip the plug, do not pull on the lead.

• Do not use extension cables.

• Keep the appliance away from your hair and clothes.

• Ensure the appliance does not come into contact with clothes.

• Do not use the epilator on:

- eyelashes or hair;

- the face, except when using the precision accessory above the upper lip or between the eyebrows (accessory available with certain models);

- on damaged skin areas;

- on areas which may present a health hazard (varicose veins, beauty spots, birthmarks);

- if you suffer from skin conditions such as eczema, inflamed skin or acne;

- on blisters, verrucas or calluses.

• In the event of skin irritation or redness after epilating, do not expose yourself to sun until the irritation has cleared up.

• In the bikini area the appliance is only to be used on the external contour and never on more intimate areas (vaginal lips). For reasons of hygiene we recommend you not to lend anyone your appliance, even those who are closest to you.

• Consult a doctor if your skin becomes very irritated or starts to bleed.

• Do not use the appliance on the same spot for longer than 3 seconds at a time.

• Do not exert excessive pressure on your skin.

• Do not use the appliance if you have diabetes or poor circulation.

• If you suffer from skin problems or other medical problems, consult your doctor before using the appliance.

• Do not insert objects in the appliance or disassemble the appliance.

• For safety reasons, this appliance complies with all applicable standards and regulations (Low Voltage, Electromagnetic Compatibility, Environmental directives, etc.).

• Caution: This appliance is not intended for use by persons including children with reduced physical, sensory or mental capabilities or lack of experience and knowledge, unless they are supervised or given instructions beforehand concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure they do not play with the appliance.

• Do not use the appliance on the same spot for longer than 3 seconds at a time.

• Do not exert excessive pressure on your skin.

• Do not use the appliance if you have diabetes or poor circulation.

• If you suffer from skin problems or other medical problems, consult your doctor before using the appliance.
