An advertisement for LEGO's device compatibility checker. The background is a bright yellow surface. In the center, a white instruction manual is open, showing step 37 with a minifigure on a purple motorcycle and step 38 with a minifigure on a purple scooter. A smartphone in the foreground displays a digital version of the scooter assembly step. Several small LEGO minifigures are scattered around: a boy with a red surfboard, a girl on a motorcycle, a girl on a scooter, and two orange cats. The overall theme is digital accessibility and compatibility for mobile devices.
