An advertisement for a LEGO compatibility checker. The background is bright yellow. In the center, a rolled-up LEGO instruction manual is partially unrolled, showing step 16. A smartphone is positioned in the foreground, displaying the same step 16 from the manual. Several LEGO minifigures are scattered around: one with a camera, one with a yellow animal, two small orange cats, and one with a green top. The overall theme is digital accessibility of physical product instructions.
