BOBA FETT™

STAR WARS

Welcome to your new LEGO® Star Wars™ building adventure.

Helmets are an iconic part of the *Star Wars*™ universe, and we're proud to present a line of construction sets that fans will love to build and display.

When you build your model, you'll see we've worked hard to stay faithful to the original designs. We've also brought the helmets down to a scale that's easy to put together, practical to display, and beautiful to look at.

Happy building!

A handwritten signature in white ink, reading "Jens Frederiksen".

Jens Kronvold Frederiksen
Creative Director, LEGO® Star Wars™

75277 Boba Fett™ Helmet

He may have only been on screen for just a few scenes, but Boba Fett has made a lasting impression on fans of the *Star Wars* universe from his first introduction in *The Empire Strikes Back*. What can we say? We love a cool galactic bounty hunter!

His iconic helmet and armour evoke those of medieval knights, and they themselves have served as the inspiration for other Mandalorian warriors who have appeared later in the *Star Wars* saga.

The display model you're about to build stays very close to the original model's sleek look and detailed construction.
